## **SUMMARY SHEET**

### **I. Description of Item**

A Resolution approving the sale of an improved tract of surplus County owned real property 1.291 acres in size, located on the southwest side of Lamar Avenue, immediately east of Kyle Avenue, within the City of Memphis, to Curtis Broome, Sr. for \$ 40,000.00; In 2007, Shelby County Government acquired this 1.291 acres of improved property via. donation from the Warren H. Barry and wife, Dorothy Barry, to establish a site for a new After School Resource Academy within the Rozelle-Annesdale neighborhood to provide children with an after school destination for supplemental education and developmental enrichment, which never materialized. The County incurred expenses in the amount of \$ 27,000.00 in conjunction with this initial property acquisition. Due to the dilapidated condition of the three houses on the property, the County has since had them demolished. Because of the poor condition of the hardware store and warehouse buildings, it would be very costly to renovate either of these. Since acquisition, the County has incurred security and maintenance expenses of approximately \$ 8,000.00. Therefore, to-date the County has approximately \$ 35,000.00 in the property. Currently, the land that makes up this property is valued by the Shelby County Assessor at \$ 241,500.00. We estimate that it would cost approximately \$ 131,000.00 to demolish the hardware store and warehouse buildings. Thus, the net land value, based upon the Assessor's values minus the projected demolition cost, would equal approximately \$ 110,500.00. Upon further review of this property it was declared surplus and has been marketed "as-is"; although other prospective purchasers had indicated an interest in purchasing this property, only Curtis Broome, Sr. submitted a sealed bid in response to the County's advertisement; Mr. Broome has advised that he plans to renovate this property for use as a center for training and development of appliance repairmen. Based on the above, it is hereby recommended by the Administration that the sale of this surplus County owned parcel be approved.
